

DIAMOND KING II

The latest game pack from the Diamond King series provides a mix of players' favourite slot games and new titles – all cater to a maximum of player preferences. The easy touchscreen game selection guarantee the clients best experience without complications. The proven classics and the popular new best sellers create a top-performing package.

Ten of the games in Diamond King are linked to a progressive jackpot that has an innovative concept. The mathematical depth of the game targets repeat play with multiple bonuses won at a time. The 3-level jackpot has strong Jackpot theme, visuals and sound. The mechanics has a deep and engaging element to it which makes the experience more thrilling and memorable when a single bonus spin could award multiple progressives and bonus values.
